## INTERESTS

### MUSCLE STRENGTHENING

I have been practicing street workout for almost 2 years now, a discipline in which the weight of his body and rudimentary equipment is used to strengthen his muscles.

### JAPANESE ANIMATION

This art has transcended my life. Childish at first sight, he shows himself to be very deep and gives matter to the thought. Something to change his mind.

### SCIENCE AND COMPUTER SCIENCE

Since I discovered science. I have shown affection for her. Putting equations, theories, principles and hypotheses on reality is sublime. I want to contribute with the help of IT.
